

Table 1. Casco Bay Monitoring Network -Survey Responses

Organization	Program	Biota	Nutrients	Sediments	Tidal Wetland	Toxics	Water Quality
Bowdoin College	Bowdoin College Coastal Studies Center						X
Casco Bay Estuary Partnership	Marshes				X		X
Casco Bay Estuary Partnership	Sediments			X		X	
Friends of Casco Bay	Citizen Scientists						X
Friends of Casco Bay	Nitrogen Nab		X				
Friends of Casco Bay	Staff		X				X
Friends of Casco Bay	Unattended Station-Cousins		X				X
Gulf of Maine Research Institute	CBASS-Temperature						X
Gulf of Maine Research Institute	CBASS-River Sampling	X					X
Gulf of Maine Research Institute	CBASS-Seine Survey	X					
Gulf of Maine Research Institute	CBASS-Jig Survey	X					
Gulf of Maine Research Institute	CBASS-Acoustic Survey	X					
Gulf of Maine Research Institute	CBASS-Trap Survey	X					
Gulf of Maine Research Institute	CBASS-Oceanographic Survey	X					X
Island Institute	Ocean acidification monitoring						X
Maine Department of Environmental Protection	GulfWatch	X		X		X	
Maine Department of Environmental Protection	SWAT	X				X	
Maine Department of Environmental Protection	Water Quality		X				X
Maine Department of Environmental Protection	Eelgrass	X					
Maine Department of Marine Resources	Biotoxins					X	
Maine Department of Marine Resources	Water Quality				X		X
Maine Department of Marine Resources	Rainbow Smelt Monitoring	X	X			X	X
Maine Department of Marine Resources	Rainbow Smelt Presence/Absence Surveys	X					
Southern Maine Community College	Beach Seine	X					
University of New Hampshire	Ocean Acidification						X
Wells National Estuarine Research Reserve	MIMIC	X					X
Maine Coastal Program	Maine Coastal Mapping Initiative	X					X
University of Maine	SEANET-Buoy						X
University of Maine	SEANET-Nutrient Load Sampling		X				
Maine Healthy Beaches	Maine Healthy Beaches						X
Environmental Protection Agency	Nutrient Criteria Monitoring		X				X
