

Kmz Organization and Program Color Code Key

Organization, Program
● Bowdoin College, Bowdoin College Coastal Studies Center
● Casco Bay Estuary Partnership, Marshes
● Casco Bay Estuary Partnership, Sediments
● Environmental Protection Agency, Nutrient Criteria Monitoring
● Friends of Casco Bay, Citizen Scientists
● Friends of Casco Bay, Nitrogen Nab
● Friends of Casco Bay, Staff
● Friends of Casco Bay, Unattended Station-Cousins
● Gulf of Maine Research Institute, CBASS-Jig Survey
● Gulf of Maine Research Institute, CBASS-Oceanographic Survey
● Gulf of Maine Research Institute, CBASS-River Sampling
● Gulf of Maine Research Institute, CBASS-Seine Survey
● Gulf of Maine Research Institute, CBASS-Temperature
● Gulf of Maine Research Institute, CBASS-Trap Survey
● Island Institute, Ocean acidification monitoring at a kelp farm
● Maine Coastal Program, Maine Coastal Mapping Initiative
● Maine Department of Environmental Protection, Eelgrass
● Maine Department of Environmental Protection, GulfWatch
● Maine Department of Environmental Protection, SWAT
● Maine Department of Environmental Protection, Water Quality
● Maine Department of Marine Resources, Biotoxins
● Maine Department of Marine Resources, Water Quality
● Maine Healthy Beaches, Maine Healthy Beaches
● Southern Maine Community College, Beach Seine
● University of Maine, SEANET-Buoy
● University of Maine, SEANET-Nutrient Load Sampling
● University of New Hampshire, Ocean Acidification
● Wells National Estuarine Research Reserve, MIMIC
